We added and edited the electricity section you asked about this morning plus inserted a graphic for your consideration (actually, I think YOU sent it over). Let me know if this is helpful and/or if you need more.

Subject: DOT Comments

Joe and Margot,

Here are some comments from DOT policy staff on your chapters. Since our systems don’t always talk to each other, I’ll paste them below into this email as well as attaching a document. Please let me know if you have questions, and I’ll run them down with the folks who have offered these suggestions.

Thanks,
Michelle
