Charlie, Okay. Still have not received. I will be leaving shortly.

Bill - Please deliver your piece directly to Jay Braitsch. He's got the pen on chapter 8 at this point. That's the fastest way.

MaryBeth, My understanding was the outlines were delivered to the WH at about 4:00 yesterday. Certainly if there is a chance to revise, we will use this latest version. Thanks.

We continued to clean up the outline for Sec. D a bit, and hope that this version is a bit clearer than the 3:30 version. The outline is written so that some of the background and more detailed issues are in bullet format for reference if needed. Please let us know if you have any questions. << File: Section D, revised.doc >>

All,

Please review.

What did I miss from the discussion today?

Note assignments are by office - some of you are asked provide names to Joe,
me or other offices to complete tasks.

If only one or two offices are contributing the bulk of the information, I
am asking one office to compile the bits prior to sending to me. Saves me
some time and I can focus on overall gaps.

Also attached outline Joe was working from.

Please get back to me by 2:30 (if possible) with your comments on the
instructions. I will edit and send out "officially" ASAP.

I will also need to know who will be doing one so I don't have to bug you
all the time.

Joel,

Tracy Terry (6,3383) on Section 2.

Regarding section 3 - we are more reviewers than contributors. Treasury has the lead. Will you want to take a look at what they produce?

Hi Margot -

I'm working with Darrell Beschen on Chapter Two of the NEP and will be that chapter's lead author. I noticed that it was mentioned in the Authors' Guidance Memo that PO will assist on Chapter Two... would you be able to tell me who the contact person will be from PO for Chapter Two, as well as for Chapter Three?

Thanks so much and I look forward to hearing from you,

Joel
All,

This wasn't clear to me but is now. Drafts are to single spaced. That should make many very happy.

Margot
Larry,

I didn't want to call each of the EIA coordinators but wanted to touch base with EIA on the NEP. I'm assuming everyone is on target for the 3:00 deadline. Anything we can do to help out (I know PO is reviewing some sections). Are you getting everything you need from other offices? Anything I can do?
