Joe,

Is this beyond what we already sent them (from FE) a few hours ago? If so, we should ask Doug Carter and/or Guido DeHoraitis to answer (I note that Bob K. is out today). By when?

(See attached file: CHAPTER 5 - original.doc)

Also attached is a copy of the Chapter Five draft that we've been working from so you can refer to that if you don't already have a copy.

Margot - we still need EIA to fact check Chapters 3, 5, 6, 7 and 8.

Thanks so much! -Kjersten

Thanks.
Joe,

2/26 - White House NEP meeting at 3:30 - (can't tell from my calendar topic or who attended)

3/23 - NEP meeting at Jackson Place. Topic not clear. I did attend a meeting (with you and Kevin) at Jackson Place that discussed options (the meeting where work groups were set up). Can't tell if this is that meeting but it might well be.

Margot
Actually, the 2/26 meeting was cancelled at the last minute and rescheduled for 2/28 at 4. I came across an email from Charlie from 10:41 am on 2/26 to that effect.

I have on my calendar on 3/6 NEP meeting at WH. That's it. Nothing from Fenzel on the 3/6 meeting (he tended to weigh in on only on principals' meetings). This was probably a staff meeting.

Did you see Energy Daily today? Looks like WH is not willingly wanting to engage on the GAO request.

Hopefully, my last question. Was there a working group meeting on 3/6? I have a email from John Fenzel to that effect, but nothing on my calender.
Have asked staff to provide source(s).
Thanks!

Margot,

Joe and Margot,
Here are some comments from DOT policy staff on your chapters. Since our systems don't always talk to each other, I'll paste them below into this email as well as attaching a document. Please let me know if you have questions, and I'll run them down with the folks who have offered these suggestions.

Jeremy, Joe and Margot,

Thanks,
