Joe,

Regional graphic to send forward. We will want comments at 4:00.
Margot:

Fax it if you would (456-1606) and bring copies along for the attendees.
That covers a host of sins.

Thanks

Charlie
Kyle said we can commandeer whatever resources we need to get this report done in the proper manner by tomorrow COB. You know infinitely more about this than I do. Happy to sit down before 4, if that suits you. Let me know.

I have a 5:15 meeting with a utility CEO on behalf of the Secretary today, and will have to leave at 5. I told them that, and said you could handle things in my absence. I gave them another option -- start at 6, which gives people more time to review. Fair warning. Please go through the new draft before 4, so you are ready to defend and protect.
