Joe,

EIA still fact checking and won't be finished until mid-afternoon (our checkers are the same folks that are involved in today's 2 EIA testimonies).

I have the set of DOE comment that I will bring down by later this morning.

Margot
Do we have newer versions of any of our stuff? I was not aware that we had a deadline to submit new versions of our chapters today, especially since we did not discuss any of our stuff other than chapters 1 and 2, and the regional piece.

This afternoon we would like to distribute to the working group the latest drafts of the chapters for which you are responsible. I would appreciate it if you would send them to me by noon so we can put complete packages together.

If you have any questions, give me a call. I am on 456-7874.

Thanks

Charlie

Treasury piece. I will be done with EPA within 30 to 45 minutes.
Time is short, they want a rewrite by 4 if possible. I will take a stab at it. How are we coming on graphics? We should bring graphics to the 4:00 meeting. Any problem with that?
