Subject: new version section 1 All, Joe's revised draft. Thanks for all the comments I didn't take all your suggestions. I tried to make every accommodation but had to make a judgment call about what worked and what didn't. Still to do:

1) Fact checking. Still blanks to fill in. In some cases, we need a source. EIA cannot corroborate without it. 2) Please read red edits -- these are outstanding issues that still need attention and/or discussion. 3) Plan on meeting in PO conference room (70-040) on Tuesday 2/20 at 11:30 to discuss draft and get new instructions that will come out of a morning WH meeting.

Evelyn,

Here are some comments on a previous version of chapter 10. They might still be useful.

We made a mistake in telling you in our prior e-mail that the Friday meeting is at 1:00 in the afternoon. It's at 10:00 in the a.m. So, the earlier you can get us your comments, the better. Thank you for all your help!

Joe

I believe that Tom and Rob will want to talk to you about this again -- I think we are trying to set up something for Wednesday or Thursday.

I didn't catch Jean's last name, so could you please forward this to her?

Thanks,
