Also, we have to footnote all our numbers in Ch 1 and 2. How have we done this in the past? I assume footnotes limited to numbers. Do we have to include pinpoints (page numbers) or can we say upfront the source for all numbers if AEO unless otherwise specified?

Oh, Larry, don't kill me. We need sources for any info you are fact checking.

Just got the word.
Margot

We'll definitely get this to you by C.O.B tomorrow.

Larry,

Thanks much. The final drop dead would be Friday (when the stuff goes to the Pres.) tomorrow COB would be nice. Any possibility?
Margot

Margo,

I'm getting two people to do a fact check on this so we have two set of eyes on
this. Will let you know of any changes needed and highlight any data which we can't confirm.

Deadline???

All,
Can I get a sense of who is going to provide comments by the end of the day on these three chapters? I have NE's (thanks, Trevor) and know EE will comment. Anyone else?

All,
Margot,

Directly to you per John's request.

Jean
I want to make sure you know about the two meetings I hope you can attend. First, tomorrow from 10 to whenever to go through chapters 1, 2, and regional. Second, Monday from 11 to 12:30. Originally, I told you Monday, then it was moved to Tuesday, then moved back. I don't think I told you about the last change. I am assuming you will attend both.
I apologize again, and I hope that I haven't set your schedule back very much.

Margot

Any chance for tomorrow?

Margot

I must apologize at this point, because I haven't been able to start on the other three graphs at this point, and I'm not sure when I will be able to.

Thanks, they look good.

Hiya Margo,

Just wondering if you've heard anything.

FYI, all next week I have Mr. Mom duty and will not be able to make it to Forestal until 11:30 am... I would appreciate it if you could schedule any meetings to 11:30 am or later.

My aupair girl is on vacation so my job is to get the kids to school and my wife's job is to leave work early to pick them up. So I can stay late, but I just can't get here until 11:30.
