Joe and Margot,

Here are some comments from DOT policy staff on your chapters. Since our systems don't always talk to each other, I'll paste them below into this email as well as attaching a document. Please let me know if you have questions, and I'll run them down with the folks who have offered these suggestions. Please note the suggested text for Chapter 6 includes some policy recommendations and pro and con stuff that we might agree should be deleted or rephrased. But I wanted to submit it to you as drafted by our policy folks as a starting point for discussion.

Jeremy, Joe and Margot,

Thanks,
